Cross Country

Big congratulations to all of the students who took part. Students showed determination and there were some great races, with some races only decided in the last 100 metres. Another pleasing aspect was the way our students supported other students to finish and the great sportsmanship shown throughout all of the races. Also a big thank you to all of the parents and families that came along to show their support.

PB4L

We have been focussing on using kind words this week, including using our manners. Class have been brainstorming all the different types of kind words that we can use and when it is appropriate to use them. Students have also been reminded that at Woodlands School we do not accept swearing in any form.

Our school speeches finals are on tomorrow, starting at 1:30pm. Teachers should have let you know if your child has made it through to the finals.
