Student's Work

Rainbow's End

In the holidays Lia, Lenyx Beany and I went to Rainbow's End. First we went on the roller coaster. We went in a loopdy loop. It was a rainbow colour. Next we went on the elevator. It was twisting and going up and down at the same time. After that we went on log ride in the water. We went down the water slide. Then we took a picture of us. Then we had candy floss. Then I went on the car ride. It was going round and round in circles. We went on the merry go round. I was on the horse. I was going up and down very, very slowly. I had fun on the log ride taking a picture.
